**The questions in bold type have been omitted from the results as the clues have been removed sometime during the month. We've kept them on the sheet so people can check if they got it correct anyway. Therefore, the total is out of 66 (not 71).**

**Questions that we awarded ½ points if the answer was not precise enough 8, 18, 25, 45 and 57.**

**Adjudicators decision final.**

Thank you for taking part.
